'Your own private island... almost!'

Denis Island is probably the closest most of us will come to having our own private island. With only 25 elegant cottages on the island, each with its own sea-facing verandah and private courtyard, you can be forgiven for believing that you have landed up in the Garden of Eden.

location

On the northern limits of the Seychelles Archipelago, 95kms away from the main island of Mahe, on the edge of the Seychelles bank. It is a short flight away from Mahe (30 minutes by plane on Mondays, Tuesdays, Thursdays, Fridays and Sundays).
