Renowned for its personalised service, Dinarobin considers itself a haven for harmony and well-being. Dinarobin Hotel Golf & Spa is a stylish 5-star resort offering lavish accommodation in private bungalows. Its delicious cuisine is considered amongst the finest on the island, and its Spa by Clarins is known as one of the most glamorous. Architecture evokes, through subtle touches, the multicultural legacy of the island. Inherited British colonial elegance reveals itself in the high ceilings and lovely bay windows of all suites, and a dash of the exotic manifests in the thatched roofs of suites and restaurants.

restaurants & bars

L'Harmonie Restaurant is Dinarobin's main restaurant, and is open for all meals. It is split into 3 smaller dining areas, so has an intimate atmosphere, and brings international trends and flavours with theme nights from all over the world.

Saveurs des Iles is a beautiful and exclusive restaurant, seating only 45, decorated in elegant contrasts of glass and wood, and its terrace, nestled among palm and coconut trees, is fabulously romantic. The chef serves a cuisine-fusion that distils combinations of French gastronomy and Mauritian flavours.

Le Morne Plage Restaurant is open for lunch and occasional "lobster evenings" is perfect for elegant, sun-drenched lunches right on the beach.

Bars: Le Mahogany Bar, between the pool and the beach, combines freshness and charm, and is the perfect trendy place to enjoy a sunset cocktail or an aperitif before dinner.

Le Morne Plage Bar is the favourite afternoon rendezvous for those who want to cool down with a fresh drink by the beach with their feet in the sea sand, or for a quick and easy snack.
