restaurants & bars

The Ocean Restaurant, sitting two floors up, has panoramic views over the resort and the Indian Ocean beyond. The Restaurant serves a sumptuous breakfast with an array of freshly baked breads, croissants and Danish pastries, cereals, fresh squeezed juices, local fruits, cold cuts and cheeses and of course, traditional cooked dishes. In the evening, the mood changes, with soft lighting, candles and an extensive themed buffet which changes daily.

Down at the pool, the Jahazi Restaurant serves a variety of snacks and the best wood-fired pizzas in Zanzibar. The menu offers an a la carte selection of international and authentic Zanzibari dishes.

Sunset is the best time to hang out at the Bahari Lounge and Bar which opens from late afternoon to midnight. After cocktails at sunset enjoy the dazzling beauty of the night sky.

Later on head for the Jungle Disco and Bar.
