'Rediscover your gentle, more romantic side'

The Sainte Anne Resort in the Seychelles is the perfect place to find yourself and to rediscover your gentle, more romantic side. Whether you relax in the warm tranquil sea that surrounds this 200 hectare, private island or under the fingertips of one of the experienced team in the resort's Spa, you will be a totally new person when you leave the island at the end of your visit. Best of all, perhaps, is the fact that, while you are able to see the city of Victoria a short, 15-minute ferry trip across the channel, it is far enough away not to intrude on your tranquillity.
